## **REPORT ON COURT PROCEEDINGS AGAINST AVIATION CO-ORDINATION SERVICES PROPRIETARY LIMITED**

---

On 17 June 2025, the Gauteng Local Division of the High Court, Johannesburg, handed down a judgment in the application launched by Aviation Co-ordination Services Proprietary Limited (“**ACS**”) in terms of which *inter alia* the following order was granted:

1. The compulsory cession contained in clause 6.2.6 of the Business Rescue Plan is declared to be invalid and of no force and effect.
2. It is declared that the Business Rescue Plan cannot be implemented.

A copy of the judgment is available on the website of Mango <https://flymango.africa/business-rescue/legal-notices/>

Since the handing down of the judgment, the Business Rescue Practitioner (“**BRP**”) has carefully studied the judgment and consulted with his legal representatives. Following these engagements, the BRP intends to apply for leave to appeal against the whole judgment and has accordingly instructed his legal representatives to prepare the necessary documents for purposes of noting the appeal.

Further updates on the status of the appeal will be provided in due course.

Yours faithfully,

*Sipho Sono* \_\_\_\_\_
