## **1. INTRODUCTION**

In terms of section 132(3) of the Companies Act, a company whose business rescue proceedings ("**BR Proceedings**") have not ended within three months after the start of those proceedings, or such longer time as the court, on application by the business rescue practitioner ("**BRP**"), may allow, the BRP must:

- (a) prepare a report on the progress of the BR Proceedings, and update it at the end of each subsequent month until the end of those proceedings; and
- (b) deliver the report and each update in the prescribed manner to each affected person, and to the court, if the proceedings have been the subject of a court order or the Companies and Intellectual Property Commission ("**CIPC**"), in any other case.

The BRP accordingly submits the forty seventh status update report.

## **2. SALIENT DATES**

The following table sets out certain key events that took place during the BR Proceedings of the Company:

### **3. THE PUBLICATION OF THE AMENDED BUSINESS RESCUE PLAN**

Following publication of the amended BR Plan of the Company on 29 August 2025, the BRP received extensive queries, mainly from South African Airways SOC Limited (“SAA”), which queries require additional time and will necessitate further amendments to the BR Plan. Some creditors also raised queries regarding their claims, which queries the BRP is addressing.

A circular was issued on 10 September 2025 informing Affected Persons of the postponement of the meeting to consider the amended BR Plan from 12 September 2025 to 7 November 2025. It is anticipated that an amended BR Plan which will have addressed the queries of SAA will be published by no later than Friday, 31 October 2025.

### **4. CUSTOMERS UNFLOWN TICKET VERIFICATION**

The verification window closed at 23h59 on Monday, 1 September 2025. Customers who failed to submit their information before the deadline are deemed to have forfeited the value of their un-flown ticket or voucher and therefore forfeit any claim against Mango.

### **5. PROOF OF CLAIMS**

The deadline for submission of claims was 3 March 2022, after which no new claims will be entertained. The BRP continues to evaluate the claims.

### **6. CONCLUSION**

The BRP remains of the opinion that there is a reasonable prospect of rescuing the Company, or that the BR Proceedings would result in a better outcome for creditors than would otherwise be achieved should the Company be placed in liquidation.
