("Companies Act"), read with Regulation 125**

1. INTRODUCTION

In terms of section 132(3) of the Companies Act, a company whose business rescue proceedings ("**BR Proceedings**") have not ended within three months after the start of those proceedings, or such longer time as the court, on application by the business rescue practitioner ("**BRP**"), may allow, the BRP must:

- (a) prepare a report on the progress of the BR Proceedings, and update it at the end of each subsequent month until the end of those proceedings; and
- (b) deliver the report and each update in the prescribed manner to each affected person, and to the court, if the proceedings have been the subject of a court order or the Companies and Intellectual Property Commission ("**CIPC**"), in any other case.

The BRP accordingly submits the fifty first status update report.

4. CUSTOMERS UNFLOWN TICKET LIABILITY

Customers who verified their unflown tickets before the deadline have been contacted via email on next steps in the verification process. Customers who failed to submit their information before the deadline of Monday, 1 September 2025 are deemed to have forfeited the value of their unflown ticket or voucher and therefore forfeit any claim against Mango.

On 19 January 2026, the Air Service Licensing Council ("**Domestic Council**") informed the BRP that the Domestic Council had resolved to support the release of the funds subject to the Guarantee, to the BRP. However, approval is also required from the International Air Services Licensing Council ("**International Council**") which was scheduled to review the matter on 30 January 2026, after which an update would be provided to the BRP. The BRP is currently awaiting feedback from the International Council.

5. PROOF OF CLAIMS

The deadline for submission of claims was 3 March 2022, after which no new claims will be entertained. The BRP continues to evaluate the claims where necessary.

6. DIVIDEND PAYMENTS

The BRP is still engaging with and has requested the bank to expedite the issue of exchange control approvals by the South African Reserve Bank, which approvals are required for processing of foreign based Creditor payments. Once finalised, the 40% interim dividend due to foreign Creditors will be processed.

The balance of the dividends due to all Creditors, net of any taxes that may be due, will be paid within 30 days following the assessment of the Company's income tax returns for the years 2023 to 2025. The income tax returns will be submitted soon after the audit of the financial statements for the same years has been completed. Finalisation of the financial statements and tax matters is ongoing. The BRP has met with the Auditor-General to hold preliminary discussions on the requirements for the audit. Audit timelines will be communicated in due course.

7. RECOGNITION PROCEEDINGS

The BRP is engaging with South African Airways SOC Limited ("**SAA**") regarding the recognition of Mango's business rescue proceedings in all foreign jurisdictions in which Mango previously operated. A proposal has been submitted to SAA outlining a phased approach to the required work, together with the associated budget. The BRP is currently awaiting SAA's approval of the proposed budget for the first phase of the recognition process.

8. CONCLUSION

The BRP remains of the opinion that there is a reasonable prospect of rescuing the Company, or that the BR Proceedings would result in a better outcome for creditors than would otherwise be achieved should the Company be placed in liquidation.
